

Sizewell C Notice to Mariners No 3 of 2025

Bathymetric Survey

NOTICE IS HEREBY GIVEN: That a bathymetric survey will take place on the week commencing 17th March 2025.

Bathymetric Survey

The bathymetric survey will be carried out from a black/orange 9.5 metre survey vessel named *Spectrum Nyquist*.

The survey will take place between 23 March 2025 and 30 March 2025 during daylight hours and is anticipated to last for up to 8 days (weather permitting).

The vessel will utilise multibeam echosounder (MBES) in the nearshore areas of the Greater Sizewell Bay. The chart below shows the planned survey area where operations will be undertaken.

All vessels should maintain an appropriate and safe distance (minimum 250m) when passing *Spectrum Nyquist* whilst it is undertaking survey operations, passing at the lowest speed to avoid vessel wash effects.

The vessel will maintain a continuous listening watch on VHF Channel 16.
