

# Sizewell C Notice to Mariners No.14 of 2025

## *Intertidal Survey Investigations*

NOTICE IS HEREBY GIVEN: That survey works will be carried out from the beach in the intertidal area of the Sizewell C Statutory Harbour Authority limits on or around 6<sup>th</sup> October 2025 for a period of up to 5 days (weather permitting).

The intertidal area of the beach is to be surveyed between Mean High Water Springs (MHWS, 1.16 m above Chart Datum) and Mean Low Water Springs (MLWS, -0.70 m below Chart Datum).

The works are being undertaken in advance of the construction of the Marine Bulk Import Facility jetty and may involve the deployment of a diver and a tracked excavator between 07:00hrs to 19:00hrs each day. Appropriate beach signage and marshalling will be in place during the operation.

### Instructions to Mariners

Although no survey vessels are involved in these works, mariners including unpowered water craft users, swimmers and beach walkers should maintain an appropriate and safe distance of 250 m from the location of the operations (Figure 1).
