

Sizewell C Notice to Mariners No 9 of 2026

Survey Operations

NOTICE IS HEREBY GIVEN That bathymetric survey operations are planned to take place on or around 7th February 2026 and take approximately 5 days to complete, weather permitting.

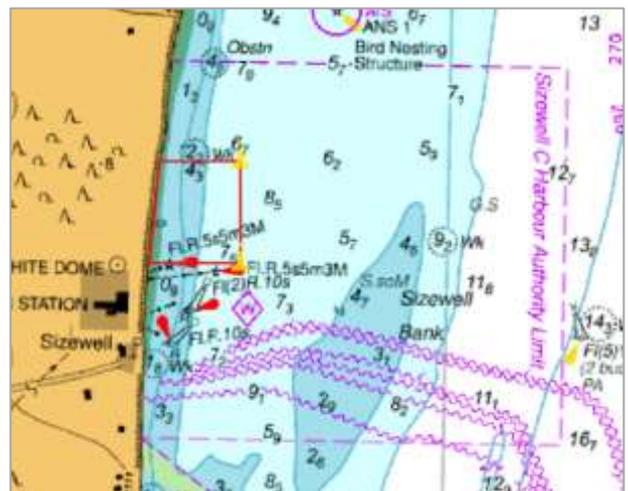

The survey operations will be carried out from a vessel Predator and will involve the use of a multibeam echo sounder (no equipment will be towed).

Other vessels should maintain an appropriate and safe distance when passing the vessel whilst they are undertaking survey operations and should pass at the lowest speed to avoid vessel wash effects. All vessels should comply with the Colregs at all times. The survey vessel will maintain a continuous listening watch on VHF Channel 12 & 16.

The survey area will be contained within SZC Marine Construction Zone as per the coordinates below
