

Sizewell C Notice to Mariners No 22.1 of 2026

Diving Operations within MCZ

Mariners are advised that -

Following some delay in operations, Local Notice to Mariners Number 22 of 2026 is updated and re-issued as Notice to Mariners 22.1 of 2026.

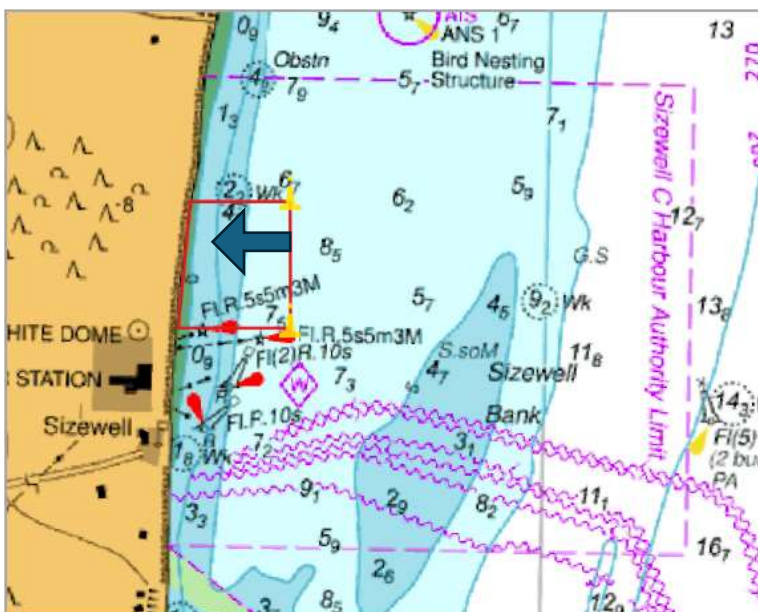

On or about the 8th May 2026, in continuation of the CDO pipe installation, diving operations will take place from the vessel **C-Odyssey**. The vessel will be lying to the mooring spread detailed in local Notice to Mariners No 18 of 2026 and will be located close inshore of the jack up barge **NP497**, within the Marine Construction Zone.

Mooring Clump 4	52° 13.3'N	001° 37.7'E
Mooring Clump 3	52° 13.3'N	001° 37.8'E
Mooring Clump 1	52° 13.29'N	001° 37.7'E

Diving operations are likely to take place over the slack water periods for approximately four days, weather permitting. All vessels should give the **C-Odyssey and NP497** at least a 500m berth during diving operations throughout this period and pass at as slow a speed as is practicable.

The C-Odyssey will maintain a continuous listening watch on VHF Channel 16 and Channel 12.

This chart below shows the approximate position (marked by a blue arrow) within the MCZ where this operation will take place.
