

Sizewell C Notice to Mariners No 27 of 2026

Waverider Buoy Service

MARINERS ARE ADVISED THAT: On or about 18th June 2026 the *THV Alert* will be carrying out a service of the CEFAS waverider buoy.

Waverider Maintenance

The work will be carried out in position 52°12.45'N 001°41.06'E by the Trinity House vessel *THV Alert* shown in the photograph.

This works will involve the lifting of the waverider buoy, servicing and return to its assigned position.

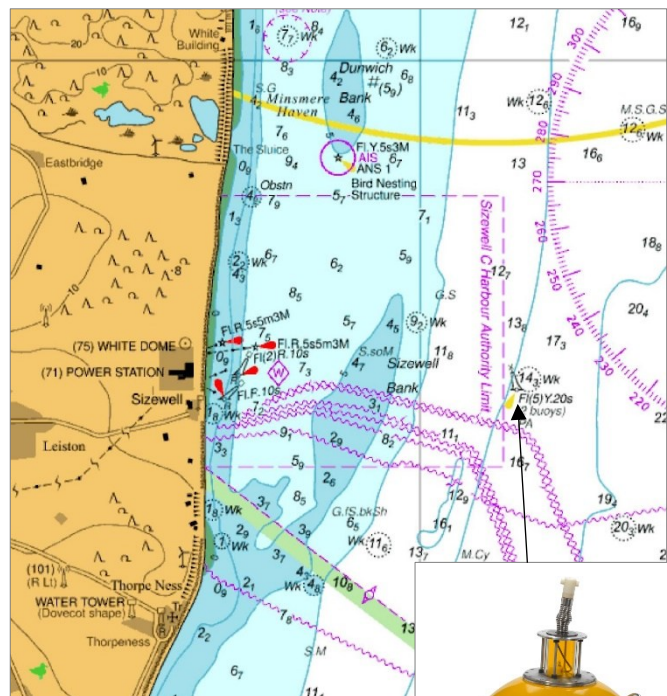

Other vessels should maintain a minimum safe distance of 500m when passing *THV Alert* while she is undertaking operations and should pass at the lowest speed to avoid-effects of wash.

The *THV Alert* will maintain a continuous listening watch on VHF Channels 16 and 12 while works are underway.

This chart shows the area where operations will be undertaken.
